Dear Ms McIntosh *Sue*

Re: Renewal of Commission Determinations

I refer to the letter from your office dated 16 September 2011, inviting Virgin Australia to express its interest in the renewal of determinations, which allocate capacity to Pacific Blue and are due to expire in the next 12 months.

[2007] IASC 120 – Solomon Islands route

Pacific Blue continues to fully utilise the capacity allocated under this Determination in operating services to the Solomon Islands. We therefore seek a renewal of this Determination for a period of five years from 10 December 2012.

[2009] IASC 131 – Fiji route

Pacific Blue continues to fully utilise the capacity allocated under this Determination in operating services to Fiji. Accordingly, we seek a renewal of this Determination, as varied by Decision [2010] IASC 205, for a period of five years from 5 November 2012.

We would be pleased to provide any further information the Commission may require in considering the requests above.

Yours sincerely
