Dear Ms Tucker *Marlene*

Renewal of Commission Determination

Thank you for your recent letter inviting Qantas to express its interest in the renewal of determination [2009] IASC 124 which allocates one all-cargo frequency per week on the Hong Kong route and expires on 13 July 2015.

As Qantas is fully utilising the capacity under the determination we seek renewal for a further five years from 14 July 2015 on the following basis:

- the capacity may be utilised by Qantas or another Australian carrier which is a wholly-owned subsidiary of Qantas; and
- the capacity may be used by Qantas to provide joint services with any wholly-owned subsidiary and by any wholly-owned subsidiary of the Qantas Group to provide joint services with Qantas.

Please do not hesitate to contact me if you have any queries in relation to this matter.

Yours sincerely

Tony Wheelens
