Dear Ms Tucker *marlene*

Re: Renewal of Commission Determination

I refer to your letter of 1 September 2014 inviting Virgin Australia Airlines (SE Asia) Pty Ltd (Virgin Australia) to express its interest in the renewal of Determination [2009] IASC 130, as varied by [2011] IASC 218 and [2014] IASC 228, which allocates 360 seats per week of capacity on the Tonga route and is due to expire on 7 September 2015.

Virgin Australia continues to fully utilise the capacity allocated by Determination [2009] IASC 130 to operate our services to Tonga. We wish to retain this allocation and therefore seek renewal of the abovementioned determination for a period of five years from 8 September 2015.

We would be pleased to provide any further information the Commission may require in considering our application for renewal. Should you have any queries, please contact me on (02) 8093 7114.

Yours sincerely

Lee-Anne Tomkins
Head of Government & International Relations
