Dear Ms Tucker

Renewal of Determination [2010] IASC 112

Thank you for your recent letter which invited Qantas to express its interest in the renewal of Determination [2010] IASC 112, which allocates 239 seats per week on the France–Route 3 (New Caledonia) route and expires on 20 May 2016.

As we are fully utilising the allocated capacity, we seek to renew the determination for a further five years from 21 May 2016. We also seek the following changes to the existing conditions in the determination:

- Capacity may be utilised by Qantas or another Australian carrier which is a wholly-owned subsidiary of Qantas; and
- Capacity may be used by Qantas to provide joint services with any wholly-owned subsidiary and by any wholly owned subsidiary of Qantas to provide joint services with Qantas.

We would be pleased to provide any further information the Commission might require in considering our renewal request.

Yours sincerely

Tony Wheelens
