Dear Ms Tucker, 

Renewal of Commission Determination - Singapore

Thank you for your recent letter which invited Qantas to express its interest in the renewal of determinations allocating capacity to the Qantas Group which will expire in the next 12 months.

Qantas requests renewal of Determination [2006] IASC 126 for unlimited frequency and capacity for all-cargo services on the Singapore route for ten years from 7 May 2017.

We would be pleased to provide any further information the Commission might require in considering our renewal requests.

Yours sincerely,
