Dear Ms Tucker,

Renewal of Commission Determination – Canada

Thank you for your letter inviting Qantas to express its interest in the renewal of Determination 2014 [IASC] 113 on the Canada route which is due to expire in 2019.

Qantas continues to fully utilise the capacity allocated by Determination 2014 [IASC] 113 of 1,092 seats of capacity per week in each direction on the Canada route. We request renewal of this allocation of capacity for a period of five years, and request that such renewal is granted subject to all conditions contained in the determination as varied.

We would be pleased to provide any further information the Commission may require in considering our renewal request.

Yours sincerely,

Megan Morris
Acting Head of International Affairs
