Attention: Mr Michael Bird

Dear Sir,

I refer to the current application by Pacific Air Express for air cargo capacity between Australia & Papua Niugini. Once capacity is allocated, Toll undertakes to strongly support & utilize the PAE service immediately from commencement.

Toll has had a long association with Pacific Air Express, most notably supporting it's Solomon Islands service over several years through our defence logistics business, PDL Toll.

The proposed Brisbane to Port Moresby service is ideal for our substantial & growing PNG express cargo & logistics businesses.

Yours Sincerely,

Noel Prosser
General Manager
