Dear Ms Tucker

Amendment to Request for Renewal – Thailand

On 3 September 2012, Qantas requested renewal of Determination [2007] IASC 107 which allocates seven third party code share services per week on the Thailand route.

As part of the renewal, Qantas seeks a variation to add conditions enabling the capacity allocated to be utilised to provide services jointly with Emirates.

The variation is requested for the duration of the determination

We would be pleased to provide any further information the Commission may require.

Yours sincerely

Tony Wheelens
