Dear Ms Tucker, *Marlene*

Renewal of Commission Determination – Papua New Guinea

Thank you for your letter which invited Qantas to express its interest in the renewal of determinations allocating capacity to the Qantas Group which will expire in the next 12 months.

Qantas requests renewal of Determination [2011] IASC 132 allocating 1,000 seats per week on the Papua New Guinea for five years from 1 July 2017. For flexibility, the capacity is also sought for use by another Australian carrier which is a wholly-owned subsidiary of Qantas, such as Jetstar.

We therefore seek to renew the Determination subject to the following conditions:

- the capacity may be utilised by Qantas or another Australian carrier which is a wholly-owned subsidiary of Qantas; and
- the capacity may be used by Qantas to provide joint services with any wholly-owned subsidiary and by any wholly-owned subsidiary of the Qantas Group to provide joint services with Qantas.

We would be pleased to provide any further information the Commission might require in considering our renewal request.

Yours sincerely,

Tony Wheelens
