Dear Ms ^{Marlene}Tucker

Re: Renewal of Commission Determination

I refer to your letter of 3 April 2017 inviting Virgin Australia International Airlines Pty Ltd (Virgin Australia) to express its interest in the renewal of Determination [2013] IASC 122, which allocates 300 third country code share seats per week of capacity on the Italy route and is due to expire on 7 April 2018. The determination permits the use of the capacity for code sharing with Singapore Airlines and Etihad Airways.

Virgin Australia offers code share services to Italy on flights operated by Singapore Airlines (Milan and Rome) and Etihad Airways (Milan, Rome and Venice). As our utilisation of this capacity continues to be variable, we wish to retain our full allocation and accordingly seek renewal of the abovementioned determination, including all relevant conditions, for a period of five years from 8 April 2018.

We would be pleased to provide any further information the Commission may require in considering our application for renewal. Should you have any queries, please contact me on (02) 8093 7114.

Yours sincerely

Lee-Anne Tomkins
