**Re: Renewal of Commission Determination**

I refer to your letter of 13 March 2018 inviting Virgin Australia International Airlines Pty Ltd (Virgin Australia) to express its interest in the renewal of Determination [2014] IASC 104, which allocates 1,000 seats per week of capacity on the Korea route. This determination, which is due to expire on 13 March 2019, permits the use of the capacity for code sharing with Singapore Airlines.

Virgin Australia continues to offer code share services to Korea on flights operated by Singapore Airlines. As our utilisation of the capacity on the route continues to be variable, we wish to retain our full allocation and accordingly seek renewal of the abovementioned determination, including all relevant conditions, for a period of five years from 14 March 2019.

We would be pleased to provide any further information the Commission may require in considering our application for renewal. Should you have any queries, please contact me on (02) 8093 7114.

Yours sincerely
