On 4 November 2015, the International Air Services Commission (the Commission) issued Determination [2015] IASC 114 (the Determination) allocating 1,570 seats per week in each direction to Qantas Airways Limited (Qantas). The Determination includes several conditions including the requirement for the capacity to be utilised by no later than 30 April 2016 or such other date approved by the Commission.

On 22 April 2016, Qantas requested an extension of the time of the utilisation of the capacity to 30 April 2017.

On 9 May 2016, the Commission sought further information from Qantas on how the airline proposes to fully utilise all of its capacity allocations on the Indonesia route. On 9 June 2016, Qantas provided, on a confidential basis, information on its planned use of the capacity on the route.

At its meeting of 10 June 2016, the Commission has resolved ([2016] IASC R01) to extend the date of the utilisation of the capacity to 31 January 2017 or such other date approved by the Commission.
