Dear Ms Tucker,

Application for Variation – United States and Canada

As part of a code share agreement between Qantas Airways Limited (Qantas) and Alaska Airlines, it is proposed that Alaska Airlines will offer code share services on flights operated by Qantas on the United States and Canada routes from 15 January 2019.

A copy of the confidential code share agreement between Qantas and Alaska Airlines will be provided separately to the Commission.

Variations Sought

Qantas requests a variation to Determination 2017 [IASC] 110 to permit the utilisation of capacity for code share services with Alaska Airlines on the United States route.

Qantas requests a variation to Determination 2014 [IASC] 113 (as varied) to permit the utilisation of capacity for code share services with Alaska Airlines on the Canada route.

The variations are requested for the duration of the determinations.

We would be pleased to provide any further information the Commission may require.

Yours sincerely,

Megan Morris
Acting Head of International Affairs
