Dear Ms Tucker,

Re: Application for Capacity – Chile route

Further to our letter dated 9 April 2019, Qantas Airways Limited (Qantas) wishes to make an amendment to our application for an allocation of capacity on the Chile route.

In conjunction with the application for an allocation of 337 seats per week on the Chile route, including conditions, Qantas also requests the ability to utilise the capacity for codeshare services with LATAM Airlines Group (LATAM).

A copy of the confidential code share agreement between Qantas and LATAM has previously been provided to the Commission.

We would be pleased to provide any further information the Commission may require.

Yours sincerely,

Megan Morris
Acting Head of International Affairs
