Dear Mr Borthwick *Stephen*

Subject: Virgin Australia International Airlines Pty Ltd

Virgin Australia has advised the International Air Services Commission (the Commission) that it will send its application before close of business this afternoon for the allocation of one frequency per day on the Japan route to operate services to and from Haneda Airport.

The Commission would be grateful for your advice as to whether the Department considers that Virgin Australia International Airlines Pty Ltd is reasonably capable of:

- (a) obtaining any licences, permits or other approvals required to operate on and service the Australia-Tokyo(Haneda) route; and
- (b) using the capacity sought by the airline.

We would appreciate your advice on or before 4 October 2019.

Yours sincerely
