Mr Michael Bird
Executive Director
International Air Services Commission
PO Box 630

Dear Mr. Bird,

Reference: Draft Determination 117/2009 – Papua New Guinea Route

Our company Express Export Services is an international freight forwarder based in Brisbane specializing in freight exports, air & sea, to the Pacific Island nations. We have a longstanding relationship with Pacific Air Express and have extensively utilised their Solomon Island service over many years.

We support Pacific Air Express in their application for air cargo capacity between Australia & Papua New Guinea and have expressed our interest in utilising their PNG service. We believe that PAE's entry into this market would bring much needed competition and services in this market, particularly the cargo only services. We believe this would greatly assist our company in expanding our services to PNG.

Yours faithfully

Kevin Johnstone
