Dear Ms Tucker,

Renewal of Determination – Italy route

Thank you for your letter inviting Qantas Airways Limited (Qantas) to express its interest in the renewal of Determination [2014] IASC 109 (as varied by Decision [2018] IASC 203 and amended by Resolution [2017] IASC R03), which allocates 400 seats per week of third country code share capacity on the Italy route and is due to expire on 7 June 2020.

Qantas continues to fully utilise the capacity allocated by Determination [2014] IASC 109. We therefore request renewal of this allocation of capacity, including all existing conditions contained in the determination, for a period of five years from 8 June 2020.

We would be pleased to provide any further information the Commission might require in considering Qantas' application for renewal.

Yours sincerely,

Megan Morris
Acting Head of International Affairs
