Dear Ms Ackar,

RENEWAL DETERMINATION

Qantas Airways Limited appreciates the opportunity to express its interest in the renewal of Determination [2018] IASC 121 (the Determination) allocating 1,092 seats per week on the Canada route. The Determination will expire on 24 September 2024.

Qantas seeks renewal of the Determination for a period of five years. Qantas requests that the allocation of capacity be varied from 1,092 seats to 708 seats per week to reflect the use of the Boeing 787-9 Dreamliner which replaced the Boeing 747 aircraft on the Canada route.

Qantas requests all existing conditions be retained., with the exception of the condition that permits the capacity to be used by Jetstar Airways Pty Limited.

Qantas has provided the Commission with a copy of the confidential code share agreements relevant to the above renewal request.

We would be pleased to provide any further information the Commission requires.

Yours sincerely,

Anna Pritchard
Executive Manager, Government, Industry & Competition
