Dear Ms. Tucker,

Re: Renewal of Commission Determination [2015] IASC 103 – PNG Route

Thank you for your letter inviting Pacific Air Express to express its interest in renewing Determination [2015] IASC 103 which allocates 17.5 tonnes of freight capacity weekly on the Australia-PNG route. The Determination is due to expire on the 4th April 2021.

Pacific Air Express is fully utilising this freight capacity allocation, and we seek renewal of the Determination for a further 5 year period or such longer period as the Commission may wish to determine.

Should you require any additional information to support our application for renewal of the Determination, we would be pleased to assist.

Yours sincerely,

Gary Clifford
Managing Director
