International Air Services Commission

Dear Ms Tucker

**Re: Renewal of Commission determination**

I refer to your letter of 6 August 2020 inviting Virgin Australia International Airlines Pty Ltd (Virgin Australia) to express its interest in the renewal of Determination [2015] IASC 110, which allocates 2800 seats per week of capacity in each direction on the Indonesia route and is due to expire on 29 August 2021.

As you are aware, due to the global COVID-19 pandemic, Virgin Australia has suspended all international services at this time. Once international border restrictions have eased, Virgin Australia intends to operate services to Indonesia utilising capacity allocated under Determination [2015] IASC 110. We therefore seek renewal of this Determination, including all existing conditions, for a period of five years from 30 August 2021.

We would be pleased to provide any further information the Commission may require in considering our application for renewal. Should you have any queries, please contact me on (02) 8093 7114.

Yours sincerely
